1. Introduction

Rajiv Gandhi College of Engineering and Technology conducted an inspiring talk entitled "My Story: Motivational Session by a Successful Entrepreneur" with a view to motivating the students with the valuable insights from the entrepreneurial journey of a renowned guest, Mr. Mohan. This program was meant to provide the students with examples from real-life experiences regarding how to handle failures and achieve success, along with the role of perseverance and innovation in entrepreneurship.

2. Objectives

The key objectives of the talk were:

1. To motivate the students by sharing the personal entrepreneurial journey of a successful entrepreneur.
2. To make them aware of the challenges and the achievements that it crossed while gaining its momentum from an idea to business success.
3. To share with them practical suggestions, entrepreneurial mindset and strategies to overcome their hindrances.
4. To motivate students to follow their entrepreneurial dreams with perseverance and hard work.

3. Session Details

a. **Welcome Address:** The session began with a welcome address by **Dr. Shoba**, HOD of BME Dept, RG CET.

b. **Introduction and context setting:** Mr. B. Balasundaram introduced Mr. Mohan and elaborated on the importance of learning from the real-life experiences of entrepreneurs.

c. Keynote Speech: Mr. Mohan is a very successful entrepreneur and MD and Founder of Strides Pharma Science Limited. He gave a very interesting and highly stimulating talk. The highpoint of his talk was on the following aspects :

1. Personal Background and Early Days:

- Mr. Mohan shared his childhood experiences, education, and the first choices of his career.
- He spoke about the circumstances and inspirations that finally set him in entrepreneurship.

2. Journey of Starting Business:

How the first idea came to him and how he turned that idea into a business venture.

Challenges faced during the early stages, including financial constraints, market competition, personal sacrifices. The importance of having a clear vision and unwavering determination.

3. Overcoming Obstacles:

Strategies and mindset required to overcome common entrepreneurial hurdles

Real-life examples of setbacks and how he navigated through them

How failure serves as a learning curve and stepping stone to success

4. Beating Milestones:

The major milestones and achievements in the growth of the company Strides Pharma Science Limited

The role of innovation, customer feedback, and adaptability in business success

The need to have the right people on board and a good work culture.

5. Advice to the Future Entrepreneurs:

- Ideation, market research, and business planning—some practical tips for the aspiring entrepreneur
- Networking, mentorship, lifelong learning
- Embrace risk-taking, and in the light of challenges, be resilient.

c. Interactive Q&A Session:

Subsequently to the keynote speech, a very interactive Q&A session was held, providing students with a chance to put their questions and receive advice from Mr. Mohan. The questions ranged across major aspects of entrepreneurship: funding, scaling of business, balancing personal and professional life, the future of innovation in the industry, among others.
