DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING SEMINAR REPORT

Date: 15.12.2021

"Conversion of Idea to Startup - An Insights"

Event Date: 10.12.2021

The Entrepreneurship Development Cell (EDC) of Rajiv Gandhi College of Engineering and Technology organized an insightful seminar on the topic "Conversion of Idea to Startup" specifically for the Electrical and Electronics Engineering (EEE) students. The seminar aimed to provide students with a comprehensive understanding of the journey from conceptualizing an idea to establishing a startup, including practical steps, challenges, and resources available.

The seminar began with an opening address by Mr.S.Sivakumar, Head of the EEE Department. emphasized the importance of innovation and entrepreneurship in the field of electrical and electronics engineering and the role of the EDC in nurturing entrepreneurial talent among students.

The keynote address was delivered by Mr.R.Ramkumar, Proprietor, ARRKAY Controls Pvt Ltd, Puducherry a distinguished entrepreneur and startup mentor. He shared his entrepreneurial journey, highlighting key milestones, challenges, and strategies for success. He underscored the importance of perseverance, innovation, and strategic planning in the startup ecosystem. Mr. Ramkumar covered topics of Ideation and Validation, Business Model Development, Funding and Resources and Navigating Legal and Regulatory Frameworks.

The Seminar received highly positive feedback from the EEE students, who found the sessions to be informative and motivating. Participants appreciated the real-world insights and practical guidance provided by the speaker. Many students expressed interest in pursuing their entrepreneurial ideas and sought further assistance from the EDC.

The EDC of RG CET reaffirmed its commitment to fostering an entrepreneurial culture within the college and supporting students through continuous learning opportunities and resources.
