Report for IPR

Date: 10.09.2022

Venue: Rajiv Gandhi College of Engineering and Technology (RG CET)

Organized by: IPR Cell, RG CET

Target Audience: Undergraduate CSE Students

The Intellectual Property Rights (IPR) Cell of Rajiv Gandhi College of Engineering and Technology (RG CET) organized a seminar titled "Importance of IPR and Managing Intellectual Property at the Early Stage of Startup" for students of the Computer Science and Engineering (CSE) department. The seminar aimed to highlight the significance of IPR for startups and provide practical guidance on managing intellectual property during the initial stages of business development.

The seminar focused on

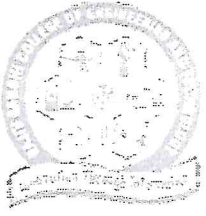

1. To educate students about the various forms of Intellectual Property Rights and their relevance to startups.
2. To emphasize the importance of protecting innovations and creative works through IPR.
3. To provide insights into the process of managing intellectual property in the early stages of a startup.
4. To encourage students to consider the strategic implications of IPR in their entrepreneurial endeavors.

The seminar commenced with an opening address by **Dr. E. Vijayakrishna Rapaka**, Principal of RG CET. **Dr.R.G Suresh Kumar** underscored the critical role of Intellectual Property Rights in fostering innovation and protecting the interests of startups. He encouraged students to leverage the knowledge shared in the seminar to safeguard their creative ideas and technological innovations.

Next our source person **Dr.K.Vidhya**, a prominent IPR consultant and startup advisor provided an overview of Intellectual Property Rights, detailing the different types (patents, trademarks, copyrights, and trade secrets) and their significance in the startup ecosystem. He shared real-world examples of how startups have successfully navigated the IPR landscape to protect and commercialize their innovations.

Dr.K.Vidhya, IPR Specialist emphasized on the Overview of Intellectual Property Rights (IPR), Importance of IPR in the digital age and also explained Types of IPR: Patents, Trademarks, Copyrights, Trade Secrets
