Dr. E. VIJAYAKRISHNA RAPAKA
B.Tech. (Mech.), M.Tech.(Energy), Ph.D. (IIT Madras),
M.I.S.T.E., F.I.I.P.E., M.C.S.I M.C.A.,
PRINCIPAL

Rajiv Gandhi College of Engineering & Technology
Pondy - Cuddalore Main Road,
Kirumampakkam, Puducherry - 607 402.

Introduction

Education plays an essential role in a Country's progress. The conventional model of attending the classes passively and focusing on just excellent grades in the examinations is treated as an obsolete exercise in today's world. It is said that all human beings are gifted with unique talents and personality. The role of a teacher is to facilitate students to attain their goals by fostering the talents and traits hidden in them. It is supposed that the innate talent and core competency should come together to make education important, holistic, productive and satisfying.

The aim of an engineering college is not just to make capable engineers, in addition to it to groom knowledgeable and well cultured graduates, fit to radiate the fragrance of their learning among people of our Country. In this direction, Induction program is an effort for integrating new student into the Institution by giving her/him basic information essential for settling down quickly and work for her/his academic achievement by adjusting their benefit with those of the Institution. In this regard the Induction Program was conducted for first semester students of the Academic year 2018-19.

The particulars of the activities conducted and outcomes of the Induction program are presented in this report. With reference to the Induction Program transition from school to college life is one of the most challenging events in a students' life. When students enter an institution, they come with diverse thoughts, backgrounds and preparations. They come into a new environment, and many of them have little knowledge of about the institution.

OBJECTIVES

- 1) To familiarize the new student with the various branches, methods of study, various facilities, and the academic and administrative set up in the Institute.
- 2) To develop a sense of aesthetics and enhance creativity among students.
- 3) To generate favorable attitudes towards peers, senior students, teaching and non teaching staff in the Institution.
- 4) To inculcate value systems, ethics and leadership qualities among students.
- 5) To promote entrepreneurial thinking among students.
- 6) To inculcate effective communication skills, team work skills, multi-disciplinary approach, and develop a desire to apply knowledge of engineering for the real-life problems.
- 7) To sensitize students towards environmental issues and to develop an attitude to protect and conserve environment among students
- 8) To help new students adjust and feel comfortable in the new environment and inculcate in them the ethos and culture of the institution
- 9) To help them build bonds with other students and faculty members and expose them to a sense of larger purpose and self-exploration.

At Rajiv Gandhi College of Engineering and Technology, student Induction Programme is planned as soon as the first semester commences, before starting the regular classes.

Students Induction program cover various aspects such as

Socializing: Meeting other new students, senior students

Associating: visits to all departments, Programme of study & important places on campus

Dr. E. VIJAYAKRISHNA RAPAKA
B.Tech. (Mech.), M.Tech.(Energy), Ph.D. (IIT Madras)
M.I.S.T.E., F.I.I.P.E., M.C.S.I M.C.I.I.,
PRINCIPAL
Rajiv Gandhi College of Engineering & Technology
Pondy - Cuddalore Main Road

Governing: rules and regulations, student support

Experiencing: Subject lectures, study skills, small-group activities, physical activity, creative and performing arts, literary activities, universal human values, etc.

List of activities conducted in student induction program are:

- 1) Familiarization with College & Departments
- 2) Physical Activity (PA)
- 3) Creative Arts (CA)
- 4) Universal Human Values (UHV)
- 5) Literary Activities (LA)
- 6) Proficiency Modules (PM)
- 7) Personality Development (PD)
- 8) Lectures by eminent people
- 9) Extra-Curricular Activities
- 10) Mentoring

Outcomes of the Program

- 1) Students displayed confidence and successfully transitioned into the new academic environment.
- 2) Students utilized the primary resources and facilities of the institute.
- 3) Students established positive relationships with peers, faculty, and the institution as a whole.
- 4) Students associated moral values and behaviors with institutional practices.
- 5) Self-analysis and introspection were positively aligned with academic needs.
- 6) Students embraced structured and collaborative learning platforms.
- 7) Students' demonstrated exemplary performance in activities designed during the induction program.

DEPARTMENT OF FIRST YEAR ENGINEERING

Cordially invites you for

B.Tech First Year Inauguration [20th Batch]

On 20th August 2018, Monday at 09.30 a.m.

SHRI.M.K.RAJAGOPALAN

Chairman,

Sri Balaji Educational and Charitable Public Trust

Will preside over the function

Dr. E. VIJAYAKRISHNA RAPAKA

Principal, RGCET

will deliver the inaugural address

Mr. PALANI NAMA,

Head of Investment Banking Technology & Innovation,

Societe Generale Global Solution Center, Chennai.

will deliver the chief guest address

Dr. K. AYYAPPAN

Vice Principal, RGCET

will felicitate

Venue : Seminar Hall – RGCET

Dr. E. VIJAYAKRISHNA RAPAKA

B.Tech. (Mech.), M.Tech.(Energy), Ph.D. (IIT Madras)
M.I.S.T.E., F.I.I.P.E., M.C.S.I.M.C.I.I.,

Respected Sir
Sub: Requesting approval for environmental visit -Reg.

As part of our induction program, we emphasize the importance of environmental education and sustainability. A visit to the botanical garden will provide our students with a firsthand experience of diverse plant species, ecosystems, and conservation efforts, aligning perfectly with our educational objectives. I kindly request your approval for this educational visit to the botanical garden on 21.8.2018

Thanking You

Yours faithfully

(Co-ordinator/FYE)
