SEMINAR REPORT

Date: 19.01.2023

“NEED FOR ENERGY CONSERVATION”

Event Date: January 12, 2023

The Department of Electrical and Electronics Engineering conducted a one-day seminar on “Awareness of Energy Conservation on January 12, 2023. The event coordinator of the session is Mr. Sivakumar (Assistant Professor (Sr. Gr) of the Dept. of EEE). The sessions were conducted by Dr. B. Radjaram, Chairman, IEIPSC, Puducherry; Er. S. Thirougnaname, Honorary Secretary, IEIPSC, Puducherry; and Er. D. Shanmuga Vadivel, Committee Member, IEIPSC, Puducherry. A total of 39 students belong to the EEE department are participated and benefited.

The seminar on energy conservation practices successfully achieved its objective of educating and empowering participants with knowledge and strategies for effective energy conservation. The event fostered a collaborative environment for learning and networking, and the feedback indicates a high level of satisfaction among the participants.

Increase the duration of interactive workshops to allow more in-depth discussions and plan development. Include more case studies and real-world examples to illustrate the impact of energy conservation practices. Provide follow-up resources and support for participants to implement energy conservation plans. and The organizers would like to thank the speakers, participants, and sponsors for their contributions to the success of the seminar. Special thanks to the management of RGCET for hosting the event.
