PARTICIPATION IN THE INSTITUTIONAL GOVERNANCE AND IN THEIR SHORT-TERM AND LONG-TERM PLANS

Introduction

Rajiv Gandhi College of Engineering and Technology believes in inclusive governance involving all stakeholders. This policy outlines the structure and processes for participation in institutional governance and planning.

Governance Structure

1. Committees and Councils:

- Formation of various committees and councils involving faculty, staff, and students.
- Committees will include academic council, research committee, student council, and administrative committees.

2. Decision-Making:

- Inclusive decision-making processes ensuring representation of all stakeholders.
- Regular meetings and consultations to gather input and feedback.

Short-Term and Long-Term Plans

1. Strategic Planning:

- Development of strategic plans outlining short-term and long-term goals.
- Plans will address academic, research, infrastructure, and community engagement objectives.

2. Implementation:

- Execution of plans with periodic reviews and adjustments.
- Monitoring and evaluation of progress towards strategic goals.
