POLICY FOR PROMOTION OF RESEARCH

Introduction

Rajiv Gandhi College of Engineering and Technology is dedicated to fostering a culture of research and innovation. This policy outlines the strategies and mechanisms for promoting research activities.

Research Promotion Strategies

1. Research Grants:

- Provision of internal grants for research projects.
- Grants will be awarded based on the merit and potential impact of the proposed research.

2. Collaboration:

- Encouragement of collaborative research with other institutions and industry partners.
- Facilitation of partnerships and MOUs for joint research initiatives.

3. Publication Support:

- Financial and logistical support for publishing research findings.
- Assistance with journal submissions, conference presentations, and patent applications.

Implementation

1. Research Committee:

- Establishment of a research committee to oversee research activities.
- The committee will include experienced faculty members and external experts.
