Welcome to Your Wonderful Future,

Knowledge and continuous learning are the mainstays amongst the best organizations of today. With a view to provide the high caliber technical man power our country needs, Rajiv Gandhi College of Engineering and Technology creates an environment which is competitively intense and intellectually satisfying.

RG CET as an edifying institute has carried the Legacy forward in empowering young Minds aiming at developing intellect to an unmatched level and further, open horizons for creativity. Furthermore, through the synthesis of theoretical concepts, practical understanding and Peer learning, the institute has been creating a future leader in every student who steps in.

Today the world is becoming more dynamic and challenging day by day. I can say with confidence that the training of our students have gone through equips them with all that is necessary.

It gives me immense pleasure to welcome recruiting organizations to our campus. It is my earnest belief that the pulls of Academics and the Wholesome life in RG CET as prepared the students to face any array of challenges and take on multifaceted positions of responsibility, as is the recruitment of contemporary corporate world.

I am confident that the students recruited by you will excel and achieve beyond your expectations. They will prove to be an asset for your organization. I sincerely wish that this is a great and fruitful relationship in building the next generation.

M.K.Rajagopalan
chairman

INTRODUCTION

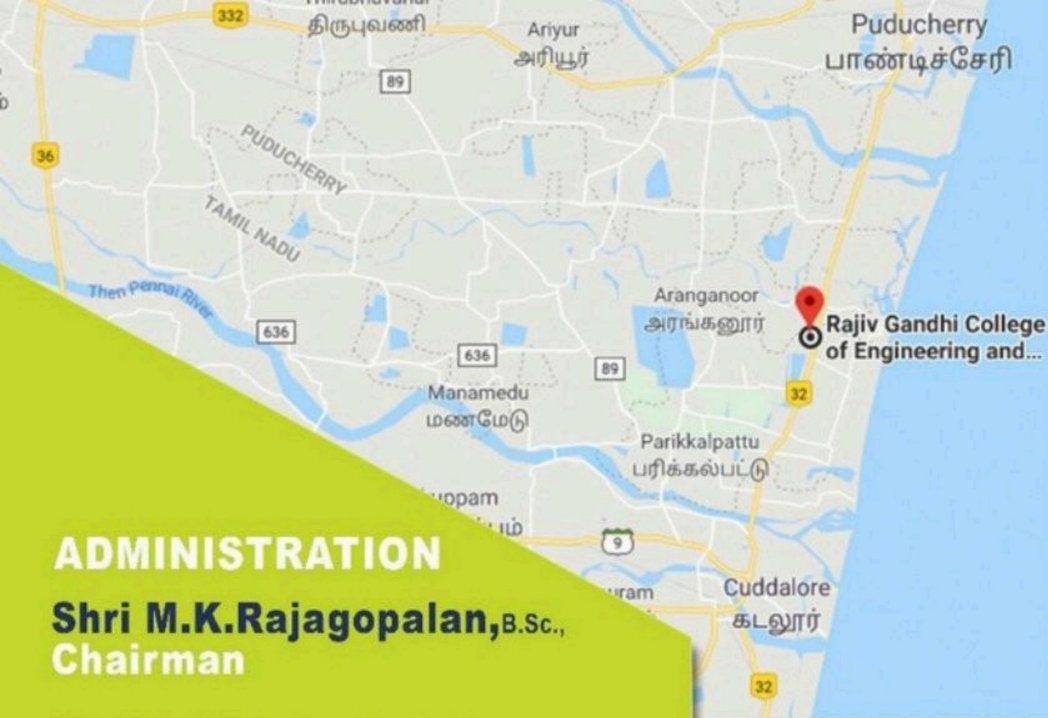

The Rajiv Gandhi College of Engineering and Technology is one of the most reputed Engineering college in the union of puducherry, India. The college started in 1999, is one of the first private sector initiatives in technical education in Puducherry. Popularly known as “RGCET”. Its is located on the Pondicherry-Cuddalore main road. “RGCET” is private engineering college totally funded by Sri Balaji Educational and Charitable Public Trust. It has the fourth largest student population of engineering college in Puducherry, drawing students from other states of India and abroad.

Since 1999, RGCET has evolved into a prestigious college , offering a comprehensive spedrum at programe with gilled Professors, dedicated staff members , and sincere students. The college seaks excellence in all programmes and activities. This challenge for high achievement, creates a dynamic atmosphere. The college offers education in latest technological subjects with a strong professional touch that could meet the ever increasing challenges and demand for high caliber engineers in various fields.To ensure that the quality is maintained, college has implemented unrivalled quality assurance and academic audit systems.Nearly 5000 Engineers around the worls hail from Rajiv Gandhi College of Engineering and Technology as their Alma maller.

LOCATION OF THE COLLEGE

The campus occupying an area of 25 acres of land at Kirumambakkam, 13kms from Pondicherry towards Cuddalore in a beautifully elevated, pollution free surroundings along the East Coast Road 2,25,000sq.ft of construction is being done to match international standards under the advice of Prof.A.Mohammed Harris, Director, School of architecture and lawn planning, Anna University, Chennai. Pondicherry is 145km away from Chennai, it is well connected by road and rail. The nearest airport is Chennai airport and the railway station is cuddalore. The Aurobindo Ashram, Auroville and Manakula Vinayagar Temple are also located in this Union Territory, well known for its weather and conductive learning atmosphere. The college has Spacious Class Rooms, Drawing Hall, good collection of books in the Library, fully Air-conditioned Computer Lab with sufficient infrastructure, well equipped Physics and Chemistry Labs, Basic Workshops, Staff Room, Students Rest Rooms and a Canteen for the use of Students and Staffs.

How to reach the College?

Pondicherry is 145 km away from Chennai. Its well connected by road and rail. The nearer airport is Chennai airport and the railway station is cuddalore, Rajiv Gandhi college of Engineering and Technology is located in Kirumampakkam, which is 13km from puducherry and 10km from cuddalore in the ECR road.

ADMINISTRATION

Shri M.K.Rajagopalan, B.Sc.,
Chairman

Shri V. Bhaskaran, B.Com.,
Administrator

Dr.E.Vijayakrishna Rapaka,
B.TECH (MECH), M.TECH (ENERGY),
PH.D.(IIT MADRAS), M.I.S.T.E., F.I.I.P.E.,
M.I.S.E.S., M.A.S.E.E.
Principal

COURSES OFFERED

B.Tech

Computer Science and Engineering.
Information Technology.
Electronics and Communication Engineering.
Electrical and Electronics Engineering.
Bio-Medical Engineering.
Mechanical Engineering.

MCA (Master of Computer Applications).

MBA (Master of Business Administration).

M.Tech

Computer Science and engineering.
Wireless Communication.
