Sub: "Notice to All Students" -Reg.

\*\*\*\*

It has come to our attention that several students have not been paying their fees on time and are failing to obtain the No Objection Certificate (NOC) from the Accounts Department before receiving their Hall Ticket. Moreover, some students have mentioned that they will clear the pending fees along with the fine at a later date.

We would like to inform all students that the practice of allowing late fee payments with a **fine has now been discontinued**. All students and their parents are hereby requested to ensure that the fees are paid before the announced deadline. No exceptions will be made.

Your cooperation in adhering to this policy is appreciated.
