Dear Sir/Madam,

Sub: Proposal for conducting “Special Aadhaar Mobile Updation Drive” for the students & Staff– Reg.

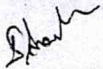

Greetings from India Post Payments Bank!!!

At the outset we would like to inform that India Post Payments Bank is a Payments Bank under Department of Posts with 100% share holding of Govt of India. We are providing all the Banking Services like SB Account, Current Account, NEFT, RTGS, IMPS, UPI etc in all our Post Offices including Branch Offices. We have around 100 such Post offices in Pondicherry and rendering services in every Village. The Bank is also rendering Aadhaar services like Child enrolment below 5 years and Mobile number updations / Correction in Aadhaar. These services are being rendered at the doorstep of the Customers as well with no additional cost. As prescribed by UIDAI, New Aadhaar enrolments are being done free of cost and Mobile number updations for Rs.50/-.

- Since Linking of Mobile number with Aadhaar is essential for many things like Applying SSC/TNPSC exams, Scholarships, Employee provident fund, Income Tax, Central/State Govt DBTs, opening accounts with few Banks etc, students after completing college may have to approach Bank or Post Office for updating their mobile number with Aadhaar.
- The Enrolment ID is generated on submission of service request and mobile number is updated in Aadhaar database within 72 hrs. (UIDAI TAT)
- In the event of any issues with updating mobile number in Aadhaar, the customer can call toll free number '1947' of UIDAI and quote the EID number for further guidance.

For facilitating the students to link their mobile number with Aadhaar, we propose to conduct a “Special Aadhaar Mobile Updation Drive” at the college campus. Hence, the students may be advised to use this opportunity to link their mobile number with Aadhaar.

Yours faithfully
